Set-up and Clean-up – During a Pack Meeting, the assigned dens will setup the tables, chairs, and pass out any other items or papers specific for the meeting. After the meeting, they will put the tables and chairs away. Parent help is needed for both set-up and clean-up.

Skit or Game – Skits are a favorite part of the Pack meetings and campouts. Some meetings will not allow time for skits. Please have your scouts practice their skit before they perform it.
